

Careers and Preparing for Adulthood 2022

We've had some brilliant opportunities to support our young people for the World of Work and preparing them for adulthood this year!

We'd like to say a huge **THANK YOU** to Stonebridge City Farm, The Plough and Sam's Workplace for supporting our Pupils external work experience placements!

Coffee and Cake in the World of Work gave our young people the opportunity to talk to a variety of different employees including a vicar, police officer and a shop assistant.

One of the challenges was to come to school "Dressed for Work". The young people did not disappoint! We had such a variety of job roles represented from a nurse to a football player!

Some fantastic photos of our young people enjoying the World of Work activities!
